

Look into your own hearts....

### God-Size Vision

1. A God-size isn't possible....without God.
2. Getting a God-size vision requires prayer and spending time with God.
3. Seeing a God-size vision come to pass requires following the leading of the Holy Spirit.
4. A God-size vision requires God's timing. Don't rush it.
5. A God-size vision will make you nervous. A big vision from God can mess with your mind.
6. A God-size vision requires a plan of action. Write your plan down on paper.
7. A God-size vision requires the right people. Surround yourself with godly people who can speak into your life.
8. A God-size vision requires resources. Trust God because where God guides He provides.
9. A God-size vision requires faith. Take a step of faith towards the vision every day.
10. A God-size vision requires commitment. It won't happen overnight, so stay focused and committed to God's vision.

*Don't Mistake Hills For Mountains! (~Scott Williams)  
No matter what you're facing today, realize that every major accomplishment began with a single step. A single step, which led to the other side of the hill and to the top of the mountain.*

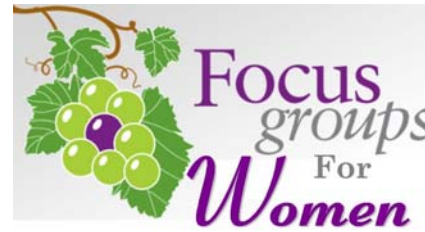

**News, Announcements & Upcoming Events**

**Twisting The Truth**

Journey together with others as we explore common ways in which God's truth gets twisted. Each one has the potential to destroy and cloud your decisions. *Twisting the Truth* will empower you to recognize deceptions and how to overcome them. This 6-week video series begins Monday, July 26. The cost for study materials is \$10 per person. Stop by the table in the lobby for more info.

**Women's Focus Groups**

New women's focus groups will start in September. We will get together once a month and learn to do something (scrap booking, quilting, etc.) while fellowshiping with one another. If you have a skill that you would be willing to teach to other women, please sign up at the Welcome Center with your name and what you are interested in teaching.

Summer is here, but that doesn't mean that your small group has to take the summer off. Here are a few summer ideas:

- \*Have a cookout
- \*Have a game night
- \*Go to a concert
- \*Have a movie & Popcorn night
- \*Go miniature golfing
- \*Make homemade ice cream
- \*Have a picnic @ the lake

The ideas are endless! Most importantly, hang in there and maintain the momentum you have!
